
Part 5 – Chord tones	29
B.5.1 Introduction	29
B.5.2 Starting from the chord tone 1	29
B.5.3 Starting from the chord tone 3	31
B.5.4 Starting from the chord tone 5	32
B.5.5 Moving to the closest tone	33
Section C - Spread triads	35
Part 1 – Theory	35
C.1.1 What is a spread triad	35
C.1.2 How to build the triads - root position	35
Part 2 – Harmonized 12 major scales	39
C.2.1 Working on the circle of fifths	39
C.2.2 Practicing the triads in all the 12 keys	40
Part 3 – First inversion	42
C.3.1 How to build the triads - first inversion	42
C.3.2 How to play the triads - first inversion	43
Part 4 – Harmonized 12 major scales - first inversion	46
C.4.1 Working on the circle of fifths	46
C.4.2 Practicing the triads in all the 12 keys	47
Part 5 – Second inversion	49
C.5.1 How to build the triads - second inversion	49
C.5.2 How to play the triads - second inversion	50
Part 6 – Harmonized 12 major scales - second inversion	53
C.6.1 Working on the circle of fifths	53
C.6.2 Practicing the triads in all the 12 keys	54
Part 7 – Mixing the triads	56
C.7.1 Horizontal view and common tones	56
C.7.2 Diatonic chords and progressions	57
Conclusion	59
